

EDMS TECH SOLUTION

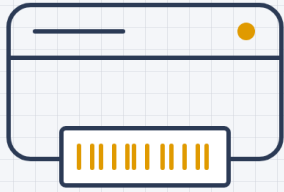

INDUSTRIAL AUTOMATION · BARCODE & AIDC · BUSINESS SOFTWARE

PRODUCT BROCHURE 2026

Industrial Hardware

Barcode printers, scanners, machine-vision cameras, Zebra mobile computers, Siemens & Omron PLC and HMI.

POSTEK · BARCODE PRINTERS

Postek Desktop Barcode Printer

Value desktop thermal-transfer printer for retail, garment and small warehouse labelling.

Postek desktop printers deliver dependable 4-inch label printing at an economical price. Thermal-transfer and direct-thermal modes let you print paper or synthetic labels with wax or wax-resin ribbons. A great fit for MRP labels, garment tags and shelf labels.

Key features

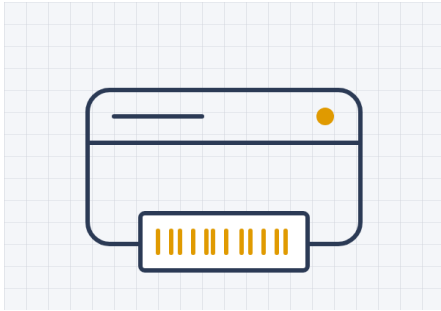

- Thermal transfer + direct thermal
- Compact, easy-load clamshell design
- USB interface; Ethernet on selected models
- Works with BarTender / Postek label software
- Low running cost

Specifications

RESOLUTION	203 dpi (300 dpi option)
PRINT WIDTH	Up to 104 mm
INTERFACE	USB (Ethernet / Serial optional)
MEDIA	Labels, tags, continuous rolls

Pricing

VARIANT	PRICE (EXCL. GST)
203 dpi, USB	₹13,500 / unit
300 dpi, USB + Ethernet	₹19,500 / unit

ZEBRA · BARCODE PRINTERS

Zebra ZD230 Desktop Printer

4" thermal-transfer desktop printer — Zebra reliability at an entry-level price.

The Zebra ZD230 is the go-to desktop printer for retail, light manufacturing and logistics. It prints crisp barcodes at up to 152 mm/s, accepts 74 m ribbons, and is managed with Zebra's Link-OS tools.

Key features

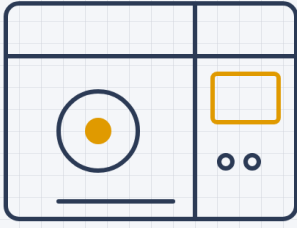

- Thermal transfer and direct thermal
- Up to 152 mm/s (6 ips) print speed
- Accepts 74 m ribbons
- USB standard; Ethernet option
- ZPL / EPL programming languages

Specifications

RESOLUTION	203 dpi
PRINT WIDTH	104 mm
SPEED	Up to 152 mm/s
INTERFACE	USB (Ethernet optional)

Pricing

VARIANT	PRICE (EXCL. GST)
ZD230t — USB	₹18,500 / unit
ZD230t — USB + Ethernet	₹22,500 / unit

ZEBRA · BARCODE PRINTERS

Zebra ZT411 Industrial Printer

Rugged metal industrial printer for 24×7 manufacturing and warehouse lines.

The ZT411 is built for high-volume, mission-critical printing. Its all-metal frame, colour touch display and fast 14 ips speed make it ideal for production lines, shipping docks and compliance labelling. RFID encoding is available as an option.

Key features

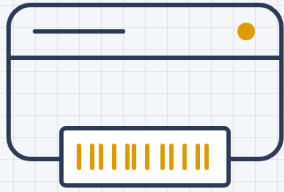

- All-metal frame and media cover
- 4.3" colour touch display
- Up to 356 mm/s (14 ips) at 203 dpi
- USB, Ethernet, Serial and Bluetooth
- RFID encoding option

Specifications

RESOLUTION	203 / 300 / 600 dpi
PRINT WIDTH	104 mm
SPEED	Up to 356 mm/s (203 dpi)
DUTY	Industrial, 24×7

Pricing

VARIANT	PRICE (EXCL. GST)
203 dpi	₹1,28,000 / unit
300 dpi	₹1,42,000 / unit

TSC · BARCODE PRINTERS

TSC TE244 / TTP-244 Pro Printer

Popular TSC desktop printers for retail, pharma and logistics labels.

TSC desktop printers are known for long life and easy maintenance. The TE244 and TTP-244 Pro handle 300 m ribbons for fewer changeovers and print paper or synthetic labels for retail, pharmacy and courier applications. A 300 dpi model is available for small, high-density barcodes.

Key features

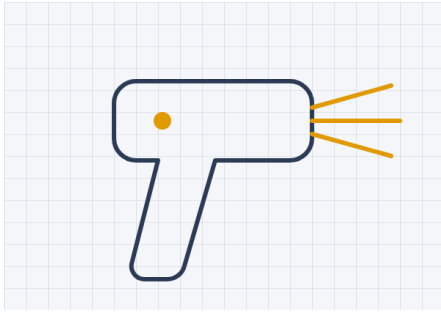

- Thermal transfer + direct thermal
- Large 300 m ribbon capacity
- USB standard; Ethernet on selected models
- TSPL-EZ language; emulates EPL/ZPL
- Free BarTender UltraLite (driver bundle)

Specifications

RESOLUTION	203 dpi (300 dpi: TTP-345)
PRINT WIDTH	108 mm
RIBBON	Up to 300 m
INTERFACE	USB (Ethernet optional)

Pricing

VARIANT	PRICE (EXCL. GST)
TSC TE244 — 203 dpi	₹12,500 / unit
TSC TTP-244 Pro — 203 dpi	₹14,500 / unit
TSC TTP-345 — 300 dpi	₹21,500 / unit

ZEBRA · BARCODE SCANNERS

Zebra Handheld Scanners (LI2208 / DS2208 / DS2278)

1D and 2D handheld scanners — corded and cordless — for billing counters and stores.

Zebra's general-purpose scanners read barcodes quickly, even when damaged or on phone screens (2D models). Choose LI2208 for 1D barcodes, DS2208 for 1D/2D/QR codes, or the cordless DS2278 with Bluetooth cradle for freedom of movement.

Key features

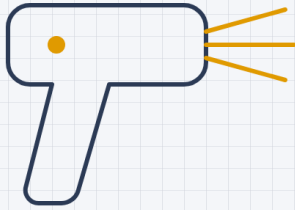

- Plug-and-play USB keyboard emulation
- Reads codes on mobile screens (DS models)
- Omnidirectional 2D scanning (DS models)
- Cordless DS2278 with charging cradle
- Hands-free stand option

Specifications

LI2208	1D linear imager, corded
DS2208	1D/2D area imager, corded
DS2278	1D/2D cordless, Bluetooth
INTERFACE	USB (RS-232 cable optional)

Pricing

VARIANT	PRICE (EXCL. GST)
LI2208 — 1D corded	₹5,800 / unit
DS2208 — 2D corded	₹7,900 / unit
DS2278 — 2D cordless	₹15,500 / unit

HONEYWELL · BARCODE SCANNERS

Honeywell Scanners (Voyager / Xenon / Granit)

From value 1D laser scanners to rugged industrial 2D imagers.

Honeywell's range covers every counter and shop floor. Voyager 1250g is a reliable 1D laser scanner, Voyager 1450g adds 2D/QR reading, Xenon handles high-volume retail and healthcare, and the Granit series is built to survive drops and dust in warehouses and factories.

Key features

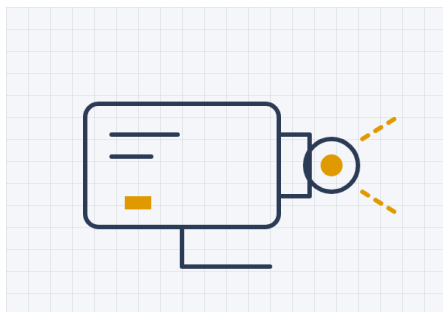

- 1D laser and 2D area-imaging models
- Corded and cordless (Bluetooth) options
- Industrial Granit: IP65, survives repeated drops
- USB keyboard emulation, RS-232 option
- Presentation and hands-free stands

Specifications

VOYAGER 1250G	1D single-line laser
VOYAGER 1450G	1D/2D area imager
XENON XP 1950G	2D high-performance imager
GRANIT 1991I	Industrial 2D, cordless

Pricing

VARIANT	PRICE (EXCL. GST)
Voyager 1250g — 1D	₹4,900 / unit
Voyager 1450g — 2D	₹7,200 / unit
Xenon XP 1950g — 2D	₹13,500 / unit
Granit 1991i — industrial cordless	₹38,000 / unit

ZEBRA · VISION CAMERAS

Zebra Fixed Industrial Scanners & Vision Cameras

FS-series fixed scanners and VS-series smart cameras with Zebra Aurora software.

Automate barcode reading and inspection on conveyors and production lines. Zebra FS-series fixed industrial scanners read 1D/2D and DPM codes at line speed, while VS-series smart cameras add presence, OCR and defect checks — all configured in Zebra Aurora software. EDMS handles mounting, lighting, PLC handshake and commissioning.

Key features

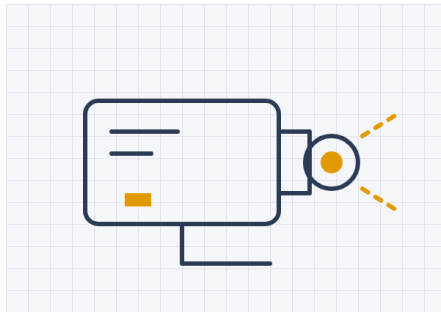

- 1D / 2D / DPM code reading at line speed
- OCR, presence/absence and pattern inspection
- Zebra Aurora no-code job setup
- Ethernet/IP, PROFINET, Modbus TCP to PLC
- Industrial IP65/67 housings

Specifications

SERIES	Zebra FS (fixed scanner), VS (smart camera)
SOFTWARE	Zebra Aurora
INTERFACES	Gigabit Ethernet, digital I/O
SERVICE	Site survey + commissioning by EDMS

Pricing

VARIANT	PRICE (EXCL. GST)
Price on application (after site study)	Price on request

KEYENCE · VISION CAMERAS

Keyence Vision Sensors & Code Readers

Keyence IV-series vision sensors and SR-series code readers integrated with your PLC.

Keyence vision sensors make inspection simple — register a good part and the sensor judges OK/NG on every cycle. SR-series code readers decode difficult 1D, 2D and DPM codes for traceability. EDMS designs the mounting, lighting and PLC logic so the system works first time on your line.

Key features

- OK/NG inspection with simple setup
- Reads printed and direct-part-marked codes
- Built-in lighting and autofocus models
- PLC link: Ethernet/IP, PROFINET, RS-232
- Data logging for traceability

Specifications

VISION	Keyence IV-series vision sensors
CODE READERS	Keyence SR-series
INTEGRATION	Siemens / Omron PLC handshake
SERVICE	Commissioning + operator training

Pricing

VARIANT	PRICE (EXCL. GST)
Price on application (after site study)	Price on request

ZEBRA · MOBILE COMPUTERS

Zebra Android Mobile Computers (TC22 / MC3300ax)

Rugged Android handhelds with built-in scanners for warehouse, retail and field teams.

Replace consumer phones with purpose-built Zebra mobile computers. The touch-screen TC22 suits retail and field sales, while the keypad MC3300ax is the warehouse workhorse for picking, put-away and stock-taking. Both run Android with Zebra Mobility DNA tools and a built-in enterprise scanner — and run EDMS apps such as VMS, inventory and HMS steward ordering.

Key features

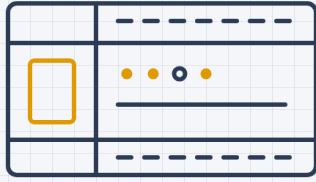

- Built-in 1D/2D enterprise scan engine
- Android with Zebra Mobility DNA
- Drop and sealing rated for daily rugged use
- Wi-Fi 6 and 4G (selected models)
- Hot-swap / long-life batteries

Specifications

TC22	6" touch, all-touch handheld
MC3300AX	Keypad, straight / gun-grip
OS	Android (enterprise)
ACCESSORIES	Charging cradles, holsters, trigger handles

Pricing

VARIANT	PRICE (EXCL. GST)
TC22 — Wi-Fi	₹48,000 / unit
MC3300ax — standard range	₹92,000 / unit

SIEMENS · PLC & HMI

Siemens PLC — S7-1200 / LOGO! 8

Siemens controllers from compact LOGO! logic modules to S7-1200 with PROFINET.

Siemens LOGO! 8 is ideal for small machines and building automation, while the S7-1200 family is the standard for compact machine control with integrated PROFINET, high-speed counters and TIA Portal programming. Supplied loose or as a programmed, tested panel.

Key features

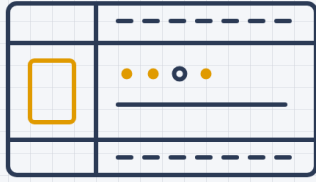

- Integrated PROFINET (S7-1200)
- Programmed in TIA Portal / LOGO! Soft Comfort
- Expandable with signal and communication modules
- Web server and data logging
- Optional programming by EDMS

Specifications

LOGO! 8	8 DI / 4 DO, Ethernet
S7-1200 CPU 1214C DC/DC/DC	14 DI / 10 DO / 2 AI
S7-1500	On request
SUPPLY	24 V DC

Pricing

VARIANT	PRICE (EXCL. GST)
LOGO! 8 basic module	₹9,500 / unit
S7-1200 CPU 1214C DC/DC/DC	₹29,500 / unit

OMRON • PLC & HMI

Omron PLC — CP1E / NX1P

Omron compact PLCs for cost-effective machine control and EtherCAT motion.

Omron CP1E is a dependable, economical PLC for packaging, conveyors and special-purpose machines. NX1P adds Sysmac Studio programming, EtherCAT motion control and EtherNet/IP for modern connected machines.

Key features

- CP1E: simple CX-Programmer ladder
- NX1P: EtherCAT + EtherNet/IP built in
- Analog and serial option boards
- Proven reliability in Indian factories
- Optional programming by EDMS

Specifications

CP1E-N40	24 DI / 16 DO
NX1P2	Sysmac, EtherCAT, motion axes
SOFTWARE	CX-One / Sysmac Studio
SUPPLY	24 V DC / 230 V AC (model)

Pricing

VARIANT	PRICE (EXCL. GST)
CP1E-N40 series	₹18,500 / unit
NX1P2 series	₹52,000 / unit

SIEMENS / OMRON · PLC & HMI

HMI Touch Panels (Siemens KTP / Omron NB)

7" operator touch panels with screen design by EDMS.

Give operators a clear view of the machine. Siemens KTP700 Basic connects over PROFINET to S7 controllers; Omron NB7W is an economical 7" HMI for CP and NX PLCs. EDMS designs the screens — alarms, recipes, trends and multilingual text.

Key features

- 7" colour touch display
- Alarms, recipes and trend screens
- Ethernet / serial PLC connection
- Screen design and commissioning available
- Tamil / Hindi text support on request

Specifications

SIEMENS	KTP700 Basic PN — 7", PROFINET
OMRON	NB7W — 7", Ethernet / serial
SOFTWARE	WinCC Basic / NB-Designer
SUPPLY	24 V DC

Pricing

VARIANT	PRICE (EXCL. GST)
Omron NB7W 7" HMI	₹21,000 / unit
Siemens KTP700 Basic PN	₹39,000 / unit
